

Chronic Disease Action Team

Tuesday February 11th 2025

Minutes

- Last Meeting Recap
- Focus Area Review
 - **Access to Care and Preventative Services**
 - Know Your Numbers Update-
 - Initiative with Farmers Market/Manufacturing
 - Magnets-Kristen will work on the design
 - July 12th will be the Health and Wellness Expo held in conjunction with Farmers Market on the square. Will promote Know Your Numbers and other resources in the libraries leading up to this. Tabletop signs.
 - Mobile mammogram will be May 9th- look into possibility of holding womens health clinic on the same date to receive Pap/Pelvic in addition to mammogram.
 - Debbie will check with the NP
 - **Reduce Food Insecurity**
 - Weekender Bags-summer- Are we able to survey the people currently receiving the weekender bags to see if the need and what barriers are there to receiving them in the summer.
 - Data update- We have data relating to free and reduced lunch eligibility by school district. We can reach out to Janet to see what the numbers are for the weekender bags for each district.
 - Work with schools on summer solutions- we can make an ask to the superintendents once we determine what barriers there are.
 - Survey- Rebecca and Kristen will work on the survey to include:
 - What school
 - What barriers
 - Transportation

- Time frame
 - Is there a different way your child is getting food/
 - Will you have a need this summer?
 - Promote Resources
 - Kristen will reach out to Mike with the HEAL grant focusing on Lodi.
 - Promote the services of 211 and MCSAS for food insecure resources and assistance within the community signing up for services.
 - Implement Choice Pantry
 - Advocate for Policy Change
 - Improve Maternal, Infant and Child Health
 - Early Intervention Baskets are almost ready. Consider what other resources we would like to include. Will begin delivering these to local offices within the coming months.
